

International Symposium on Suicidology and Public Health

XXII edition

Rome, September, 18 - 19 2024

GENERAL RULES

- The abstract must be an original contribution and cannot be already published or presented elsewhere.
- There is no limit to the number of abstracts that a single author can send.
- Contributions not compliant with the rules or submitted after the deadline will not be taken into consideration, independently from their scientific content.

INSTRUCTIONS FOR AUTHORS

- The title must not exceed 300 types (spaces included).
- The text must not exceed 450 words or 4000 types (spaces included).
- File type: PDF
- Font: Times New Roman.
- Font size: 11 (12 bold for the title).
- Line spacing: single.
- Topics: suicide, public health, prevention and promotion of mental health.

The text must be divided as follows:

- Title
- Name and surname of each author
- Affiliations of each author
- Abstract text
 - Introduction and aims
 - Materials and methods
 - Results
 - Conclusions

INSTRUCTIONS FOR SUBMISSION

Submit your abstract to the following e-mail: prevenireilsuicidio@uniroma1.it

Mail subject: ABSTRACT 2024

File name: Surname of the first author

In the mail text, **must be** included the information regarding the first author or the co-author that will submit the abstract, specifically:

Surname and name; affiliation; phone number; e-mail.

At least one of the authors **must be** regularly registered to the Symposium.

July, 31 2024: DEADLINE for abstract submissions

At the beginning of July, the Scientific Committee will contact via e-mail the author that has submitted the abstract to notify the approval of the contribution.

Instruction for posters will be disclosed via e-mail, following the approval.
